## Prima Grab Bars

An innovation in safety grab rail design. The New Prima grab bar is one of the strongest and most attractive grab bars on the market. The bars feature special soft grip mouldings around the bar to reduce the risk of slipping, even with wet soapy hands. The bars are strong one piece moulded plastic with a super reinforced strength of an internal non rust aluminum tube. The ergonomical grip is comfortable and never cold to touch, unlike most metal grab bars.

The straight bars can be mounted horizontally, vertically or diagonally. The two specially designed angled grab bars are ideal next to the WC, helping users with weak hand strength to rise from the seat.

Reinforced screw mounting points are concealed by colour co-ordinate plastic covers.

PR60280	Straight 300mm (12")	£9.34 (£7.95)
PR60281	Straight 400mm (16")	£10.52 (£8.95)
